

## Hazardous Materials Operations Certification

**Skill #1 Implement the Planned Response** Maximum Time Allowed: **10 min.**

### **INSTRUCTIONS TO THE CANDIDATE**

The candidate shall work as a member of a 2 to 3 person team and will be evaluated as such. You will be required to implement the response. You will be provided with a scenario or situation and tools or equipment appropriate to the situation/scenario.

| <b>CANDIDATE PERFORMANCE</b>   | 1 <sup>st</sup> Attempt |              | 2 <sup>nd</sup> Attempt |    |
|--|-------------------------|--------------|-------------------------|----|
|  | Yes                     | No           | Yes                     | No |
| ◆ When asked, the candidate informs the evaluator that they have been trained in this skill. |                         |              |                         |    |
| Establish and enforce control procedures   |                         |              |                         |    |
| Initiate an Incident Command System (ICS).   |                         |              |                         |    |
| Perform tasks assigned in the Incident Action Plan (IAP).                                    |                         |              |                         |    |
| Evaluate the status of the actions taken.  |                         |              |                         |    |
| Communicate the status of the planned response.  |                         |              |                         |    |
| <b>Total steps candidate must complete to pass:</b>  | <b>4</b>                | <b>Total</b> |                         |    |

◆ **Critical Step** - Failure on this step results in failure of the entire skill.

## Hazardous Materials Operations Certification

### Skill #1 Implement the Planned Response

Objective(s): 5.1.2.2.3, 5.1.2.2.4      NFPA Standard 472      2008 Edition

#### INSTRUCTIONS TO THE PROCTOR/EVALUATOR

1. The candidate must indicate that they have been instructed how to perform this skill. A negative answer is an immediate failure. No second attempt is allowed. **This step doesn't count for the total number of steps the candidate must complete.**
2. The candidate may perform this skill in either structural firefighter protective clothing or liquid-splash protective clothing (Level "B").

Proctor/Candidate Comments

I was informed of the task steps missed that resulted in the failure of this skill and the OSU-FST re-test policies.
